

Behavior Management Transitions and Time Fillers

What

In this workshop, participants will learn techniques for managing behavior in the context of after-school. The training will include transition and time filler activities, designed to reduce waiting time, keep students busy, and reduce behavior problems. Participants will receive Set 2 credit from the Oregon Registry.

Where

MSD Education Center (Spiegelberg)
815 S Oakdale
Medford, OR 97501

When

May 2, 2015
9:00am-12:00pm
