

Teaching Successful Science Lessons in Afterschool

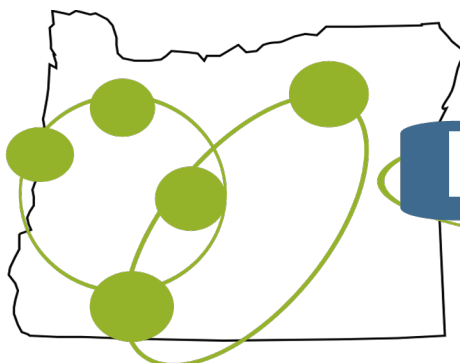

Explore **curriculum** Practice **strategies** Apply **concepts**

May 9, 2015
9:00am-Noon

Riverbend Community Room
799 SW Columbia St.
Bend OR, 97702

FREE for school-age providers

Participants will explore the Techbridge Curriculum and its focus on the Engineering Design Process. Participants will practice the Engineering Design Process through hands-on activities in the curriculum. Participants will explore questioning strategies for encouraging reflection as their **middle and high school students** participate in the lessons. All participants will receive Set 2 professional development credit from the Oregon Registry.
