#### **About the Seminar:**

Children exhibit active and even hyperactive behaviors for a variety of reasons. Such behaviors can present definite challenges in a child care or preschool setting. This session explores some of the underlying factors in overactive and impulsive children's behavior and presents the tools and strategies for implementing Positive Discipline to help children better reach their potential. This is a **6 hour, Set Two** training.

#### **About the Presenter:**

Joel Nixon, MSW, LCSW holds a Masters Degree in Social Work and a license in Clinical Social Work. Joel has been an early childhood specialist with Clackamas ESD for more than 10 years and has more than 20 years working with children with special needs and mental health issues. He is a member of the Positive Discipline Association and teaches classes in parenting the Positive Discipline way, Positive Discipline in the early childhood classroom, and Positive Discipline for child care providers. Joel has extensive experience working with children who have ADHD and other conditions that present challenging behaviors.
