

## **Inclusion- is it still a thing?**

Today's learning environment is challenging at best, how do we support all children in their growth and development? Let's talk about what inclusion means, how important it is, especially now, and most importantly, how to individualize the support that we provide for all children and their families. Come discuss your experiences, strengths and challenges so we can learn from each other.

## **Inclusive Practices that work**

Join us in exploring commonly used support strategies such as developmentally appropriate practices, universal design, positive behavior supports, embedded instruction and interventions, picture exchange systems., visual supports and social stories. As you begin to apply these tricks of the trade, all your kids will benefit.
