Class Descriptions

Morning classes 9am-12pm (choose 1)

Choice 1: **Adaptations to Support Children with Special Needs**

This workshop will explore adaptations that you can make to support children with special needs in your child care program. It will include activities to examine the definition of inclusion, benefits of having an inclusive program and tips on providing inclusive care to all children. You will also have an opportunity to practice using specific strategies that may assist in the care of children who have attention and/or impulsivity issues.

Trainer: Pam Deardorff, Training Id: 39228, CKC: SN

Choice 2: **Screen Time or Real Time, Child Development in Hyper-Tech Times**

Media play a major role in most children's lives, especially as electronic media and advertising interests expand their reach. Participants will examine the impact of media on child development; explore alternatives to screen time and enhancing creative play; and strategize ways to support families in Healthy Media Habits.

Trainer: Penelope Youngfeather, Training Id: 39231, CKC: HGD

Afternoon classes 1pm-4pm (choose 1)

Choice 1: **Preschool Inclusion, Together from the Start**

The goal of this session is to examine and explore the implementation of evidence-based practices in inclusive early childhood programs. Participants will link the importance of these practices with the success of children with special learning needs. A self-assessment tool will be used.

Trainer: Renee Koehler Van Norman, Training Id: 39232, CKC: SN

Choice 2: **Bringing Balance to Your Life**

Struggling to juggle all of your commitments? Longing for a hot bath, chocolate and time for yourself? This workshop will help! Join us as we look at values, beliefs and what impacts the decisions we make and practice setting some goals and bringing balance back to your life!

Trainer: Elizabeth Caravaca, Training Id: 39243, CKC: PPLD
