

# STEAM Professional Development Workshops at OMSI

for educators and caregivers of preschoolers

- Earn 4 hours in ORO Learning Environments & Curriculum, age group Preschoolers
- Interactive hands-on learning and take-home resources
- All trainings include same-day participant admission to museum.

## Fall 2024 Workshop Dates & Topics:

- Saturday, 10/12: Supporting Young Scientists. Set 1
- Saturday, 11/9: Supporting Young Engineers. Set 2
- Saturday, 12/14: Supporting Young Mathematicians. Set 2

**All workshops 9 am – 1 pm at OMSI’s 1800 building  
1800 SE Water Avenue, Portland, OR 97214  
(right across the street from the museum)**

Join OMSI staff for hands-on STEAM trainings developed for the Early Childhood workforce! We know what it takes to bring engaging and developmentally-appropriate inquiry to the earliest learners, and our trainings combine playful activities with reflections on research-based best practices.
