To provide support for early childhood professionals in the community and to allow our online students a venue to work face-to-face with their peers, we have developed a series of Early Childhood Development Workshops. They are open to students and non-students. Current students can register through MySOU. One unit of ED 399 credit will be available for those who attend for the full 8 hours and complete the final project.

8:30 am – 4:30 pm

101 S. Bartlett St., Medford, OR 97501 in the HEC

\$30 Workshop Fee

Optional SOU ED 399 (1 credit) for separate & additional \$55 payment

Same-day registration payments accepted on site; checks or money orders only; scholarships may be available

For more information call Kayla Rapet at 541-552-8436 or email rapetk1@sou.edu
