Upcoming dates:

- **Saturday, October 21, 2023**
- **Saturday, December 2, 2023**

All dates: 9 am – 1 pm at OMSI
1945 SE Water Avenue, Portland, OR 97214

Nervous about teaching science to preschoolers? Join staff from the Oregon Museum of Science and Industry (OMSI) to assess your own attitudes about science and gain resources to identify what it *really* looks and sounds like when young children are being scientists. We will practice using some of these resources in fun hands-on activities rich in scientific thinking that you can take back to your learning setting.
