Friday Schedule June 17, 2016

8:15	All	Morning Snack
8:30 – 12:30	A	<p>Providing Services to Parents with Learning Difficulty (HV) Leslie Munson, Oregon Health Authority Trainer</p> <p>This professional development training is for Home Visitors and others who implement services to parents with learning difficulties. This training will support the development of skills and knowledge to create positive relationships with families and community organizations. This training explores the strategies to support development of positive parenting skills for parents with learning difficulties.</p> <p>Set 2 Ages: NA CKC: FCS</p>
12:30 – 1:00 or 1:30 (HV)	All	Build your own sandwich lunch
1:00 – 5:00	B	<p>Implementing Creative Curriculum in Your Program Taya Noland, South Coast Regional Early Learning (SCREL) Hub, Prenatal to Third grade (P3) Coordinator</p> <p>This session is intended for teachers at centers or family-based programs who are working to implement Creative Curriculum to meet the standards of the quality Rating Improvement System. We will examine the theory and model of Creative Curriculum, explore theories of play, and develop strategies for creating learning environments and curriculum based on these theories.</p> <p>Set 2 Ages: Pre CKC: LEC</p>
1:30 – 3:00	C	<p>Making Sense of Screen Time: What Parents and Caregivers Should Know (HV) Lauren Peterson & Nate Windgardner, The Research Institute, Western Oregon University</p> <p>This workshop will offer information and resources for home visitors to share with parents and caregivers around the appropriate use of screen based technology for young children. With an examination of current research about the impact of screen use and an explorations of how and why screens are used in the home. Home visitors will be equipped to guide parents to be informed and intentional in their screen use as well as providing non-screen alternatives for children.</p> <p>Set 1 Ages: All CKC: HGD</p>
3:00	All	Afternoon Snack
3:15— 5:00	D	<p>Home Visiting Learning Circles (HV) Michelle Hanna, Program Manager Coos & Curry Healthy Families Oregon</p> <p>Join in with home visitors to share collective wisdom from common unique experiences and reflections.</p> <p>Set 1 Ages: NA CKC: PPLD</p>
5:00 – 6:30	All	Dinner on your own – We will provide you with a listing of local restaurants in the area.
6:30	All	After Dinner Cookies, Brownies, and Beverages
6:30 – 8:30	E	<p>Building Curriculum Kits for All Children (HV) The CARE Connections Team Cheri Dunning, Natalie Waters, Elizabeth Cohen</p> <p>Hands on fun as you build your own curriculum bag that will be developmentally appropriate for children from birth to school age to take with you on home visits, use in your home, or your classroom. Each participant will be constructing and taking home a curriculum kit for a mixed age group on Gardening.</p> <p>Set 1 Ages: All CKC: LEC</p>

Saturday Schedule June 18th, 2016

7:00am-8:00 am Registration/ Vendors/ and Breakfast

8:00 am-10:00 am Session 1

F– Creative Ways to Implement Curriculum with All Children in Your Care Cherri Dunning, Natalie Waters, CARE Connections Child Care Resource & Referral

We will explore the curriculum kits and discuss techniques for implementing curriculum within your programs in a developmentally appropriate way. Learn creative ways to engage each individual child with in a mixed age group setting.

Set 1 Ages: All CKC: LEC

G - Circle of Security - (HV) Nate Windgardner and Candi Scott, The Research Institute, Western Oregon University

Circle of Security is an attachment based parenting class based on decades of research. While the focus is on parents, attachment theory is just as useful for providers. Explore how to better connect with children birth to school age in your program and home. Practice your new skills in this session; then put them into action in your own life.

Set 1 Ages: All CKC: FCS

H—Philosophy in Action Lauren Peterson and Gary Glasenapp, The Research Institute, Western Oregon University

This interactive session will examine the role of a philosophy as the foundation for program practices and decisions. Participants will reflect on the origin and relevance of their program philosophy. Are the beliefs and values it embodies about children, families and early childhood education aligned with their own? Through individual reflection and dialog with other program leaders, participants will evaluate their current practices through the lens of their program philosophy to determine where philosophy and practice may be out of alignment. The session will conclude with the creation of an action plan to create and maintain greater synchronicity of values and practices.

Set 2 Ages: NA CKC : PM

I— Sharing Family Traditions in a Family Centered Program Maidie Rosengarden, Southwestern Childhood Education & Family Studies Faculty

In this session we will discuss topics of culture. Strategies for authentic inclusion of diverse family cultures and traditions in your environment.. Come to the session with: One barrier that has prevented you from sharing family traditions in your environment, One successful strategy you have used in the past for sharing family traditions., and One burning question about this topic..

Set 1 Ages: All CKC: DIV

10:00 am-10:30 am Break/Snack/Vendors

10:30 am-12:00 pm Keynote Address - **The Future is in Your Hands!**

Rebekka Westmark , Coos Bay Public Library Children's Librarian; Gerry Livingston, South Coast Regional Early Learning (SCREL) Hub Director; Taya Noland, SCREL P3 Coordinator; Kate Frame, SCREL Data & Operations Manager; Skaidra Schooley, SCREL HV Coordinator, CARE Connections QRIS Team, and honored guests

The future of our public libraries, our young children's education, family stability throughout our communities, your own professional development, and the quality of your work is all in your hands! Join us for a look at the state of our profession in 2016 and where we may go in the future.

Set 1 Ages: All CKC: PPLD Personal Professional Leadership Development

12:00 pm-12:45 pm Lunch, Vendors and Information Tables

12:45 pm-2:45 pm Session 2

J—How to Get Kids to Eat the Good Stuff! Ellouise Carroll, Early Childhood Consultant

This class will cover some basic nutrition facts, some little known facts, reasons to make changes in the diet of your children or the children in your care, tips and tricks for making the changes fun and easy, articles about protein and calcium, and tricks and tips to making your child(ren)s diet healthier. There will also be a demonstration of a really yummy snack or dessert that has no dairy, no gluten but loads of flavor. Oh! And, you will get to taste it!

Set 1 Ages: All CKC: HSN

K— Adapting Curriculum Kits for all Children (HV) Cherri Dunning, Laurie Potts, from CARE Connections

This session will take another look at your curriculum kits—this time through the lens of children with special needs. Please bring the curriculum kit that you made on Friday night, and your best creative thinking.

Set 1 Ages: CKC: SN Special Needs

L- Responsive Caregiving (HV) - Candi Scott and Lauren Peterson, The Research Institute, Western Oregon University

Participants will discuss foundational and current theories on secure attachment. They will explore the critical role the adult-child relationship plays in infant and toddler development. Participants will examine interactions that promote and factors that inhibit secure attachment. They will identify and practice strategies to create a responsive caregiving program.

Set 2 Ages: IT CKC: HGD

M — Jan-Ken-Pon and the Ice Cream Store: Multicultural Education for Today's Children Kim Yasutake, Office of Child Care Certifier

What does multicultural education mean to a preschooler, a provider or a parent? Explore key concepts and learn some developmentally appropriate, process-oriented activities.

Set 2 Ages: Pre CKC: DIV

2:45pm - 3:00 pm Break/Vendors/Door Prizes/ Appreciation for your attendance!

3:00 pm-5:00 pm Session 3

N- Making Sense of Screen Time Candi Scott & Gary Glasenapp, The Research Institute, Western Oregon University

This workshop will examine the use of various forms of technology, from television to tablets, in early childhood programs, how the use of screens impact learning and development, and assist programs in developing and implementing developmentally appropriate practices for screen use.

Set 2 Ages: All CKC: HGD

O - Interventions for Misguided Behaviors, (HV) Corinne Potts, South Coast Head Start Area Manager

PBIS/CPS/TBC All these guidance strategies are overwhelming! What does it all mean and how can I make it easier? Join us as we explore tools and techniques to identify causes, refocus behavior and guide children to be successful in their interactions. We will also cover ideas and activities for best practices when working with young children and how to bridge support strategies between home and school/care settings.

Set 1 Ages: All CKC: UGB

P— Cuerpo y Movimiento Rocio Montes, Bilingual Nurturing Center Teacher

Por medio de experiencias y habilidades motoras los niños se inician en el conocimiento de su propio cuerpo y adquieren destrezas propias de su edad. La psicomotricidad contribuye al aprendizaje de nuevos conocimientos y habilidades cada vez más complejas en todas las etapas del desarrollo del niño.

En esta sesión aprenderemos ejercicios y actividades divertidas para estimularlos en esta área.

Set: 1 Edades: Pre CKC: LEC

Q – Cognitive Development in Preschoolers, Teaching Academics in a Developmentally Appropriate Manner, Danaye Gonzalez, Parenting Educator, Pathways to Positive Parenting

In this workshop, we will discuss the cognitive capabilities of preschoolers and how to create curriculum that centers around these strengths. Participants will engage in both movement and hands-on activities, that will enhance cognitive development for preschoolers while incorporating language, social/emotional, and motor skills..

Set 1 Age: Pre CKC: HGD

SOUTHWESTERN
OREGON COMMUNITY COLLEGE
1988 Newmark
Coos Bay, OR 97420

Our highlighted Keynote Speaker: Bekah Westmark

Youth Services Librarian , Coos Bay Public Library, for nearly three years. Bekah grew up in Alaska and has been migrating south ever since. She loves the Pacific Northwest and raising her family here. Bekah received her undergraduate degree from George Fox University in 2003, and a MLIS from Wayne State University in 2013. During the decade between earning her degrees, she owned a coffee shop, ran a shop on Etsy, and started a family. She has four children who delight and frustrate Bekah and her husband daily, as children can do. She loves to garden, fish, read, camp, and splash in the ocean, and hopes to never leave the beautiful South Coast.
